

## Certification of Official

*Due one day prior to the start of the record attempt. (This form may be copied.)*

*Each person involved in a WUCA record as an official must complete one form for each record attempt officiated.*

I, \_\_\_\_\_ (official's name), hereby certify that I have read and understand the WUCA [Record Attempt Rules](#) (*rules*), and further, that I can honestly and impartially administer these rules in World UltraCycling Association Record Attempts (*record attempts*).

I further certify that should I witness an infraction of any of the rules or public laws during any event that I am officiating, I will immediately make a written note of the infraction and notify the crew chief. After the conclusion of the record attempt I will also notify the WUCA Records Chairperson of all rules' infractions.

I understand that, while I am the event official and, as such, responsible for the integrity of the record attempt, nevertheless except in the most blatant case of rule infraction and cheating, I will confer with the WUCA Records Chairperson before disqualifying any rider from any record attempt.

I further understand that my capacity as an official of a WUCA record attempt precludes my being in any sense of the word a crew member. My sole function is that of an official. I may, at my discretion, offer limited help to the rider or crew from time to time, but that help cannot be crucial to the success or failure of the record attempt, as neither I nor the WUCA can assume any responsibility for the success or failure of any rider.

I will make no public statements regarding the success or failure of any record attempt which I judge, until the WUCA Records Chairperson notifies me that the record has been certified.

I will keep a time and distance log during the record attempt I officiate. After the event, I will write a summary of the record attempt which will include any rule infractions, comments and recommendations. The summary and the log will be submitted as part of the Record Attempt Report to the WUCA Records Chairperson within 14 days of the conclusion of the event.

I recognize that when officiating an event, I am representing the WUCA.
